

About the Hempfield Area Alumni Group

The Hempfield Area Alumni Group was created to connect alumni, staff, retirees, and the entire Hempfield Area community. The Hempfield Area Alumni Group is an independent community organization and is not currently affiliated with, operated by, or funded by the Hempfield Area School District. We proudly support the preservation of Hempfield Area history and traditions while working alongside alumni, community members, and local partners. Through our growing archive of yearbooks, photographs, videos, memorabilia, and historical materials, we are working to preserve the stories and traditions that shaped our schools.

Your sponsorship helps ensure these memories are protected, digitized, and shared with future generations. It will also help us support current Spartans through alumni-led initiatives and community outreach.

**Sponsorships run July 1 – June 30
Following the Hempfield Area school calendar.**
